Ladies and gentlemen!

Confectionery factory "Eastern Sweets" was founded in 2008 as a small family enterprise, which specialized in the production of confectionery products.

Thanks to continuous improvement of production, increase of product range, high quality of products, accumulated key knowledge and significant experience of three generations of managers, today the confectionary factory "Eastern Sweets" is a part of a group of companies that develops several directions and which also includes:

- a division for the production of jams, fillings and syrups (Kropyvnytskyi) (www.norsu.com.ua),
- a division for the production of frozen cakes the TM "IMAGINARIUM" (Kropyvnytskyi) (www.imaginariumonline.com),
- company for the production of ice cream and frozen products (note: on the terms of equity participation of our owners in business) EAC ASDP "Firm Laska" (www.laska.ua),
- company for the manufacture of polymer packaging for food products LLC "Trelaks-Pak" (Kropyvnytskyi) (www.trelax-pack.ua), which allows to ensure high quality packaging of our products.

Our factory is equipped with modern and high-tech equipment, and in production we use only natural raw materials of the highest quality. The control of the output is continuous - from input raw materials to finished products.

Thanks to the use of high-quality raw materials and constant monitoring of the products, we are ready to offer our partners natural and useful confectionery products of the highest quality.

Since August 2017, our company is a full member of the International Chamber of Commerce (www.iccu.org), as a regional representative of the ICC Ukraine national committee in the Kirovograd region, whose main task is to promote business development, domestic and international trade.

Confectionery factory "Eastern Sweets" continuously works on expansion of its range of products. Our assortment consists today of a wide range of products such as halva, wafers, candies, cookies and cakes (including under refrigeration), jams, fillings, glazes and syrups.

Since October 2017 our company had introduced a new trade mark "Norsu", which is intended to become the flagship of sales, across the entire product line, both in the European and world markets.

The products of the trademarks "Bonday" and "Sonechko" are widely represented in all the regions of Ukraine, as well as abroad: in the USA, Romania, Moldova, Azerbaijan, Georgia, Kazakhstan, Estonia, Latvia, Lithuania, Belarus, Bulgaria, Serbia and etc.

Our company continuously strives to expand the circle of its partners, in new countries and regions, for the development of fruitful and long-term business.

We look forward to collaborating!

Sincerely,
Vakhtang Shcherbynin
Chief Business Development Officer
